Chapter of the Studebaker Drivers Club

## Car Show and Family Photos

We had two of the 3 Studebakers at the Woodland car show. When we first got parked on Main street, a reporter from The Woodland Democrat newspaper started taking pictures & interviewed Lisa. We will see if it comes out in the paper, but it was fun! We drove our 1963 Dayton Lark "Rosie" (Thank you Mike) & Lisa drove her 1950 Bulletnose Studebaker. We had a fun day & great food at Father Paddys with a good band. We got to talk Studebaker ...Well Rick did! This is a nice car show &

Jason Michaels shares his family photos on Facebook.

## ***President's Message***

*by Steve Rainville*

Hello All

Well if it weren't for last minute I'd get nothing done. Our next meeting will be at the Elk's Lodge in Carmichael for breakfast. They start serving at about 8:30am and quit at

11:30am. It was suggested we

get there earlier so we can park our cars together. So maybe those of us that live close can get there a little early and hold spaces for our club. I would say that a good time to get there might be 9:30am to 10:00am that way we could have at least 2 hours to hang around, eat, and show off our cars. Like last time other clubs attended with their cars. So the more time we have the better to mingle. Please excuse me for not thinking about this sooner. Prices for breakfast are \$9 for adults, \$4.50 for kids 6 to 12 years, and under 5 eats free.

In other news our last meeting went very well at the Aerospace Museum thanks Pat. I hope to see you in Carmichael on the 10th.

## ***Secretary's Report***

5-20- 2018

26 Members showed up for our Monthly Meeting, and 10 drove their Studebakers. Joe Burch, Lisa Hale, John and Betty Martin, Darrell and LaRee Brunelli, Pat and Kate Dilling, Ed and Laura Sumner, Leonard Brewer, Dean Sump-

ter.

Had 2 guests, Dave Jones, who drove his Sky Hawk. Bob Kelleher, came with Joe Burch in his '51 Stude. Welcome to you both and hope you come back.

Thank you to Pat Dilling for hosting this Month's meeting. For anyone that missed it, the meeting was at Aero Space Museum, at McCellan Park. A lot of history there. It was a beautiful Spring day. Brian Challenger and Steve Rainville have a lot of different Studebaker parts for sale. Call one of them for more info.

If anyone wants to car-a-van to the International Zone Meet, Give Steve a call. If you would like to be wagon master, let him know. We will talk more about it at the next meeting.

5 have signed up for the Studebaker Wheel Borrow Races, they have room, at the time of the meeting, for 2 more spots. Give Pat Dilling a call for more info. Pat will need to know what size shirt you need. No Dogs, No guns, No knives, will be permitted at the races.

A discussion about The 2019 Zone Meet. Mel France said he would be willing to pay for the Awards. Thank you Mel, that's great. Linda Barnard asked about center pieces for the tables at the Zone Meet. Mike Shaw, came up with a great idea. He cleaned out a Studebaker piston and filled it, with little flowers, looks great. I put the word out and Rick and Johna Pierce have several pistons and Betty Knopf, has the little flowers to put in them. So, we are one step closer. They should be a big hit.

Next month meeting is going to be at the Elk's Lodge, in Carmichael. Steve Rainville will be the host.

Linda Barnard Secretary

## ***Editor's Corner***

*By Tim Bates*

Hi to All my Wonderful Studebaker Family Members,

A very special well done to our members exerting the effort to take our beloved cars out to show case them to the community. Also, an EX-

TREMELY well done to our own Jon Stalnaker

who's article was published in Turning Wheels last month. Proud of you Jon!!!.

Happy Studebakering, Tim

## Welcome to the Pacific Northwest

Welcome to the beautiful Pacific Northwest, home to the 54th Annual Studebaker Drivers Club International Meet!

The Tacoma Area and Greater Seattle Studebaker Drivers Club chapters are proud to be hosting the 2018 meet and are so lucky to have the [LeMay - America's Car Museum](#), a first-class car museum, right in our backyard. We are looking forward to sharing it and this area with all of you.

This is an exciting time for this region, home to Boeing, Microsoft, Starbucks, Amazon, and almost four million people from all over the world. We are rich with Native American history and heritage, with many cities, (including Seattle and Tacoma), named after Native American leaders and tribes.

There are so many things to see and do here. We have spectacular mountains and hiking trails for those who love the outdoors, world-class shopping, sporting events, arts and culture, famous restaurants, wineries, and breweries. We hope that you will take a few additional days to do some daytripping on your own.

Tacoma, where America's Car Museum is located, is also where most of our meet events will take place. Hopefully you can take time to see some of Tacoma's treasures that include the Chihuly Garden and Glass Museum, Washington State History Museum, Tacoma Art Museum, Ruston Way, Stadium High School, and the fantastic Point Defiance Park, Zoo and Aquarium. From there you can take a ferry to Vashon Island, a gorgeous rural paradise with great roads for a day trip in the Studebaker.

Seattle is one of the fastest growing cities in the United States and has so many activities. Some of the best include the Seattle Center and Space Needle, Pike Place Market, Pioneer Square, Seattle Art Museum, Museum of Flight, Seattle Waterfront and Great Wheel, Seattle Aquarium, and Alki Beach.

Wednesday, the first day of the meet, AOAI and LeMay ACM will be displaying and examining the histories of [Avanti #R1001](#), the first production Studebaker Avanti, and [Avanti Prototype #R5653](#) with seminars at the museum. Both cars will be on display at the Museum. This event is in partnership with the Avanti Owners Association International and Studebaker Drivers Club, Inc., and should be exciting for everyone.

We are planning a driving tour to the other LeMay museum at Marymount, home to several hundred automobiles and other memorabilia. Bus tours to Seattle Center and the Museum of Flight are planned for Thursday and Friday. The Space Needle is the symbol of Seattle, created for the 1962 World's Fair. The bus tour will also include a stop at the world-famous Pike Place Market. The Museum of Flight is amazing, home to many vintage and historic aircraft like a British Airways Concorde and the Boeing 707-120 "Air Force One" that was delivered to President Eisenhower in 1959.

For other travel, vacation ideas, and fun things to do while you are here, please check [www.TravelTacoma.com](http://www.TravelTacoma.com) and [www.VisitSeattle.org](http://www.VisitSeattle.org).

I look forward to the meet and the exciting events we have planned for you.

Warm regards,

Laurel Berry

President, Greater Seattle Chapter
